Start with the wide end of the tie on your right, extending between 30 to 60 cm below the narrow end. (Depends on the tie length and your height).

Note: The taller you are, the further the wide end must extend below the

Cross the wide end over the narrow end and turn back underneath.

Bring up and then turn down through the loop.

Pass the wide end around the front from left to right, then up through the loop.

Now down through the knot at the front.

Tighten carefully and draw up to the collar.
