Your sense of belonging when you enter, knowing that your child is of paramount importance and having confidence in your decision is essential. Together we strive to inspire children to realise their full potential.

The early years' learning frameworks underpin the curriculum and the College pillars at Little Beacons.

Our aspiration is to be a leader in early years’ education, continually reflecting on the learning that matters for all members of our community, to deliver a centre of excellence.

Aesthetic natural environments are the foundation for the development of engaging learning opportunities. Our commitment to sustainability is fundamental in developing a holistic curriculum.

Learning is fostered through the natural curiosity and interests of children, allowing for exploration to further scaffold individual pathways. Children are co-contributors, mastering their own engagements and behaviours and demonstrating both resilience and freedom of expression.

The Christian ethos builds a platform that promotes the growth in a supportive and safe environment. It is a community approach that fosters a sense of belonging for children, through collaboration with families and engagement within our community.

Acceptance and celebration of differences supports our inclusiveness, creating an environment of respect and a sense of social justice in the development of a global perspective. We embrace diversity and acknowledge and extend our learning regarding our Indigenous heritage and culture.
