

Inclusive fees =

Tuition 

Tuition Plus means no extra costs when it comes to excursions, core outdoor education programs or subject levies.

These costs are already built into our fees.

Tuition Plus sets us apart from other schools and means you are getting the most for your education dollar.

PAYMENT OPTIONS

Annual*, quarterly, monthly, fortnightly, weekly

**A 1.5% discount is applicable for annual payments made before 16 January.*

Fees

It is a condition of entry into the College that fees are paid via the direct debit facility (with the exception of annual payment in advance option).

Sibling discount

Fee discounts apply for the third, fourth and subsequent children provided the students are attending Beaconhills College concurrently.

Annual fee payment in advance

A discount of 1.5% is available to families who wish to pay one full year's total tuition fee account and capital levy in advance (inclusive of the total of all student charges listed on your account).

Capital levy

The capital levy is a \$900 per family annual compulsory contribution, which is non-tax deductible.

Parental assistance

The parental assistance levy of \$220 is charged to the fee tuition account in conjunction with the capital levy. Should parents prefer to participate in College activities or donate goods and services, the College will provide a credit for the amount charged on the fee tuition account.

Endowment

It is a condition of entry that each family pays an endowment fee of \$800 before the first child in the family attends the College.
