BEACONHILLS COLLEGE SCHOOL UNIFORM

JUNIOR SCHOOL

Beaconhills College's contemporary uniform - from Early Years to Year 12 - meets the learning needs of all students.

## OUR UNIFORM

Retaining the historical links to Beaconhills colours, our quality, all-season uniform is both smart and comfortable. It is designed to promote physical activity, positive body image and offers flexibility in student choice.

It is important that students wear the uniform correctly – and with pride.

### GENERAL INFORMATION

The College has two main variations of our school uniform to best meet the needs of our program.

- The formal uniform - the academic 'wardrobe' - is a range of connected all-season garments. Students can choose to wear items on any day of the year suited to the weather and to reflect their personal preference and identity. There is no separate 'summer' or 'winter' uniform (although navy tights can only be worn with the Beaconhills tunic or tartan skirt).
- The sport uniform is worn for Physical Education, sporting competitions, practical Sport and Physical Education classes and activities that relate to our experiential learning programs.
- Items from the formal uniform and the sport uniform should not be combined.
- Non-uniform items should not be worn.
- The formal uniform is the standard school uniform that should be worn each day, unless the sport uniform is specified for a particular excursion or activity.
- There is an age-appropriate approach regarding change between the sport uniform and the formal uniform (see FAQs).

Wearing the uniform correctly gives students a sense of pride and connection to the College. All uniform items should be worn clean and in good condition.

### JUNIOR SCHOOL (PREP-YEAR 4)

Students from Prep to Year 4 wear either the formal academic all-season uniform or sport uniform depending on their learning programs for the day. Girls now have the options to wear Beaconhills skorts, shorts or tailored pants to enable more freedom of movement in the playground.
