## PRIMARY PURPOSE OF THE POSITION (LEADING STUDENT LEARNING)

The purpose of the teacher is to promote high quality learning in a challenging yet supportive environment which allows all students to flourish. The role of the teacher is to foster a love of learning, sense of inquiry, promote student wellbeing, and to deliver and evaluate a learning program consistent with the Beaconhills six pillars of *Learning That Matters* and the Victorian curriculum. The teacher will collaboratively develop curriculum within the *Understanding By Design* framework and inspire students to fulfil their potential. The successful applicant must demonstrate expert contemporary pedagogical knowledge and experience, demonstrating how to cater for the learning needs of all students. Providing opportunities for high-quality learning is at the heart of the role.

The primary role of any teacher is to support our students in their learning through:

- Continually engaging in informed reflective practice and professional learning activities that support personal and professional growth as well as support of ongoing innovations of the College
- Acting as a role model for young people
- Supporting the learning outcomes of students through well-designed curriculum, effective teaching pedagogy and practice and the provision of a safe learning environment that provides meaningful feedback
- Continually supporting the wellbeing of members of the Beaconhills learning community.

## KEY RESPONSIBILITIES FOR THE POSITION

- Teaching Year 10 Core Mathematics and Year 10 Commerce
- Establishing trusting and respectful relationships with students and parents that ultimately supports the student wellbeing
- Using assessment feedback to support reflection and inform future planning and practice
- Communicating with members of the school community in a timely and professional manner:
  - providing an environment that is conducive to learning
  - encouraging students to become better learners and take responsibility for their *Learning Mindset*
- Supporting the learning outcomes of students through well-designed curriculum, effective teaching pedagogy and practice and the provision of a safe learning environment that provides meaningful feedback
- Continually support the wellbeing of our students and colleagues
- Communicating with members of the school community in a timely and professional manner
- Supporting all aspects of the *Learning That Matters* curriculum which includes participation in the Experiential Program
- Supporting the learning of all students to meet individual student learning needs.

## TEACHER AS LEARNER

In this position, the teacher is required to learn how to:

- Design curriculum in alignment with the Beaconhills Curriculum Framework which includes the use of *Understanding By Design*
- Effectively develop and implement assessment and feedback practices including the use of real-time reporting
- Use effective teaching pedagogy and practices (personalised learning, explicit teaching, inquiry-based learning)
- Use technology to support teaching and learning in the classroom
- Support the wellbeing of students within our programs
- Support the individual learning needs of our students
- Develop and implement teaching strategies that support the development of our students' *Learning Mindset*
