PRIMARY PURPOSE OF THE POSITION (LEADING STUDENT LEARNING)

The purpose of the Teacher is to promote high quality learning in a challenging yet supportive environment which allows all students to flourish. The role of the Teacher is to foster a love of learning, sense of inquiry, promote student wellbeing, and to deliver and evaluate a learning program consistent with the Beaconhills six pillars of learning that matters and the Victorian Curriculum. The Teacher will collaboratively develop curriculum within the understanding by design framework and inspire students to fulfil their potential. The successful applicant must demonstrate expert contemporary pedagogical knowledge and experience, demonstrating how to cater for the learning needs of all students. Providing opportunities for high quality learning is at the heart of the role.

The primary role of any teacher is to support our students in their learning through:

- Continually engage in informed reflective practice and professional learning activities that support personal and professional growth as well as support of ongoing innovations of the College
- Act as a role model for young people
- Support the learning outcomes of students through well designed curriculum, effective teaching pedagogy and practice and the provision of a safe learning environment that provides meaningful feedback
- Continually support the wellbeing of members of the Beaconhills Learning Community

KEY RESPONSIBILITIES FOR THE POSITION

- This position teaches within the Technology department of the college. The successful applicant will be primarily teaching Year 9 - 12 Product design and Technology, with some middle school classes
- Establishing trusting and respectful relationships with students and parents that ultimately supports the student wellbeing
- Using assessment feedback to support reflection and inform future planning and practice
- Communicate with members of the school community in a timely and professional manner
- Providing an environment that is conducive to learning
- Encourages students to become better learners and take responsibility for their Learning Mindset
- Support the learning outcomes of students through well designed curriculum, effective teaching pedagogy and practice and the provision of a safe learning environment that provides meaningful feedback
- Continually support the wellbeing of our students and colleagues
- Communicate with members of the school community in a timely and professional manner
- Support all aspects of the Learning That Matters curriculum which including participation in the Experiential program
- Support the learning of all students to meet individual student learning needs

TEACHER AS LEARNER

In this position, the teacher is required to learn how to:

- design curriculum in alignment with the Beaconhills Curriculum Framework which includes the use of Understanding By Design
- effectively develop and implement assessment and feedback practices including the use of real-time reporting
- Use effective teaching and intervention practices (such as Personalised Learning, Explicit Teaching, Inquiry Based Learning) to improve student access to learning.
- Use technology to support teaching and learning in the classroom
- Support the wellbeing of students within our programs
- Support the individual learning needs of our students
- Develop and implement teaching strategies that support the development of our students' *Learning Mindset*

TEACHER IN TRAINING

The training needs for this position are:

- College protocols and procedures (e.g. Operoo for excursions and risk management, Synergetic, duty of care)

- Ensure only authorised, adequately trained staff undertake assigned tasks
- Take reasonable care for personal health and safety and the health and safety of others in the workplace

CHILD SAFETY STATEMENT

Beaconhills College has zero tolerance for child abuse. Beaconhills is a child safe employer and is committed to the welfare of children and their protection.

Beaconhills has systems to protect children from abuse, and will take all allegations and concerns very seriously and respond to them consistently, in line with our policies and procedures.

All potential employees and volunteers will be required to comply with the College's *Child Safe Policy* and *Code of Conduct*, which are available on our website [here](#). Beaconhills performs thorough assessments of potential and existing employees in accordance with the legislated Child Safe Standards. The assessments will be used to ascertain whether the potential or existing employee is a fit and proper person and is suitable for work in a school environment and in the position applied for or held. The screening process includes, but is not limited to, criminal record checks, *Working with Children Check* (WWC Check) and checks of social media accounts.

Beaconhills College is committed to Equal Employment Opportunity principles and is committed to the principles of merit-based selection, equity, diversity and procedural fairness in our recruitment process.

Aboriginal and Torres Strait Islander peoples are encouraged to apply for all positions at Beaconhills College.
