

# Beacon of Hope Foundation

Making a difference  
in the lives of others.

## ABOUT US

The Beacon of Hope Foundation encompasses Beaconhills College's Christian ethos through its many different giving and service programs, both locally and abroad, to raise awareness and funds to improve the lives of others.

## STRUCTURE

The Beacon of Hope Foundation is structured into three separate funds, each of which has its own specific purpose:

**THE FOUNDATION FUND** raises awareness and funds to support local, national and international service initiatives and programs.

**THE SCHOLARSHIPS AND BURSARIES FUND** raises funds to provide a Beaconhills education for students in our community.

**THE BUILDING FUND** raises money to support structural projects and initiatives within Beaconhills College.

## VISION

Make a difference in the lives of others and inspire a passion to support communities in need.

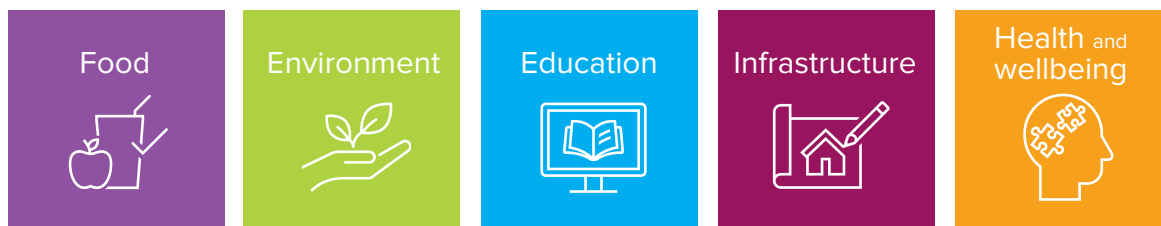

## MISSION

Work together to provide support services and programs in the areas of food, environment, education, infrastructure, and health and wellbeing.

## KEY SERVICE AREAS

The five key service areas inform our strategic approach to delivering meaningful and relevant support and service programs.

Our key service areas also align to the 17 United Nations Sustainable Development Goals (2015-2030).

## KEY PRIORITY OUTCOMES

These specify how we provide support in the areas of food, environment, education, infrastructure and health and wellbeing.

<b>Food</b> Increase the provision of food and material aid by supporting existing emergency relief providers.	<b>Environment</b> Raise awareness and provide opportunities for students and their families to support charities contributing to environment, wildlife and sustainability.	<b>Education</b> Increase opportunities for young people to gain access to quality education.	<b>Infrastructure</b> Contribute to small, medium and large-scale infrastructure and equipment projects to enrich the lives of others.	<b>Health and wellbeing</b> Raise awareness and funds for charities relating to health and wellbeing.

## GUIDING PRINCIPLES

Underpinning our commitment to improving the lives of others are four guiding principles which will influence our approach to continuing to serve others.

### Equity

Eliminating discrimination based on age, gender identity, sexuality, race, religion/faith beliefs, political beliefs, ethnicity, physical ability, and socio-economic status.

### Inclusion

Increase awareness and understanding of diverse communities including CALD (Culturally and Linguistically Diverse), Indigenous, LGBTQI+, disability, seniors, young people and families.

### Integrity

Acting with integrity means understanding, accepting and choosing to act in accordance with the principles of honesty, fairness and decency.

### Student voice

Ensure that students' values, opinions, beliefs and perspectives are incorporated into the Beacon of Hope Foundation.

## GIVING THE GIFT OF OPPORTUNITY

We understand that life is busy, so we encourage individuals and families to consider the range of ways in which they can contribute to the Beacon of Hope Foundation.

### Time

Staff, students and their families participate in a range of volunteer opportunities contributing to the Foundation's work.

The donation of time enhances the Foundation's ability to raise funds, give back and raise awareness.

### Talent

Alumni, staff and families share their skills and talents with students and the broader community, allowing the opportunity for continued growth and participation in the Foundation's work.

### Treasure

Donations are vital to support the Foundation's many giving and service programs.

Donations received through our online giving portal go directly to the Beacon of Hope Foundation.

## SHAPING THE FUTURE WITH *LEARNING THAT MATTERS*

Beaconhills College is committed to being an organisation that matters and makes a difference in the lives of others.

The six pillars of *Learning That Matters* underpin our holistic education through every year level and will help inform our decisions and future direction.

We are committed to being an organisation that is informed by *Learning That Matters* through the Benefit Mindset model.

## BENEFIT MINDSET

**Benefit Mindset** is about discovering your strengths to make valuable contributions to causes that are greater than the self.
