All students are to adhere to the same behaviour guidelines whilst travelling on the bus as they do whilst they are on the College grounds. Please refer to BeaconNet for these guidelines. If a student does not follow these guidelines, the driver will report them to the College and their Head of House will take disciplinary action.

If for any reason, the student needs to cancel or change their bus usage the ticket must be returned to Reception before the bus charges can be terminated.

It is a condition of registration to this service that all bus fares are paid within the first week of each term. Failure to provide payment by due date will result in the service being suspended.
